Captain's Quarters, in the chair          Score: 60   Moves: 57
"Hello, hitchhikers!" begins the Uogon Captain. "I've decided to read you a
verse of my poetry!"
Time passes...

"Oh freddled gruntbuggly, thy nacturations are to me!"
Time passes...

"As plurdled gabbleblotchits on a lurgid bee."
You realise that, although the Uogon poetry is indeed astoundingly bad, worse
things happen at sea, and in fact, at school. With an effort for which
Hercules himself would have patted you on the back, you grit your teeth and
enjoy the stuff.

"Groop I implore thee, my foonting turlingdromes."

Time passes...

"And hooptiously drangle me with crinkly bindleurdles, or I will rend thee in
the gobberwarts with my blurglecruncheon, see if I don't!"
Time passes...

"You looked like you enjoyed my poem. I think...yes, I think I'll read the
NEXT verse, also!"
